Hong Kong Protests

Dear Valued Customer,

The continued protests in Hong Kong are affecting the general infrastructure of Hong Kong and the flow of goods in the region, across all modes.

At the moment, any flight cancellations have mostly affected passenger flights. C.H. Robinson is not seeing a major impact on our air capacity. Vendors, suppliers, and cartage companies are all potentially affected.

Remember that with some limitations on public transportation, many parties involved with the smooth transportation of goods may be affected.

More updates will be provided as they become available.

Thank you for being our valued customer. If you have any questions, please do not hesitate to contact C.H. Robinson for further information.

Sincerely,
C.H. Robinson
