Hong Kong Protests

Dear Valued Customer,

The continued protests in Hong Kong has resulted in the cancellation of hundreds of flights at Hong Kong International Airport. These cancellations are mostly tied to passenger flights, and freighter flights are generally unaffected.

C.H. Robinson has contingency plans in place if additional capacity is required in South China. We will continue to monitor the situation and implement those plans as needed.

Thank you for being our valued customer. If you have any questions, please do not hesitate to contact C.H. Robinson for further information.

Sincerely,
C.H. Robinson
