## AU: Update to the National Industrial Chemicals Notification and Assessment Scheme (NICNAS)

The Australian Industrial Chemicals Introduction Scheme (AICIS) will replace National Industrial Chemicals Notification and Assessment Scheme (NICNAS) on July 1, 2020, as the new national regulator of the importation and manufacture of industrial chemicals in Australia.

Anyone who imports or manufactures industrial chemicals, or products that release industrial chemicals into Australia for commercial purposes must:

- Register their business with AICIS and pay a fee
- Categorise each chemical importation or manufacture into 1 of 5 categories

For more information including an AICIS fact sheet, please visit the Department of Health National Industrial Chemicals Notification and Assessment Scheme website [here](#).

If you have any questions or concerns regarding the notices held within, please contact your Key Account Manager or a C.H. Robinson representative.

Sincerely,  
C.H. Robinson.
