General Rate Increase (GRI) U.S. to Israel – LCL

April 22, 2021

Dear Valued Customer,

The ocean carriers that provide service from the U.S. to Israel have announced a General Rate Increase (GRI) on LCL ocean shipments at the below levels. The effective GRI will be applied to all cargo received at the origin receiving terminal on or after May 22, 2021.

C.H. Robinson will continue to evaluate the market to ensure each customer receives the most competitive offering in the marketplace. These levels are pre-filed rates consistent with the ocean carriers to ensure FMC (U.S. Federal Maritime Commission) compliance. We will continue to monitor the market and levels to ensure our rates remain competitive.

Origins: All U.S. Origins

Destination: Israel (including transshipment cargo)

LCL per W/M: \$15.00 USD

Thank you for being our Valued Customer. If you have any questions, please do not hesitate to contact your C.H. Robinson commercial representative for further information.
