## General Rate Increase (GRI) USA to Asia / Middle East / ISC

July 19, 2021

Dear Valued Customer,

The ocean carriers that provide service from the United States to Asia, the Middle East and Indian Subcontinent have announced and filed a General Rate Increase (GRI) to the levels noted below. The effective GRI will be applied to all containers in-gated at the origin receiving terminal on or after August 15, 2021.

CH Robinson will continue to evaluate the market to ensure each customer receives the most competitive offering in the marketplace. These levels are pre-filed rates consistent with the ocean carriers to ensure FMC (U.S. Federal Maritime Commission) compliance. We will continue to monitor the market and levels to ensure our rates remain competitive.
