General Rate Increase (GRI) U.S./Canada to Australia/New Zealand

Dear Valued Customer,

The ocean carriers that provide service from the United States and Canada to Australia and New Zealand have announced and filed a General Rate Increase (GRI) to the levels noted below. The effective GRI will be applied to all containers in-gated at the origin receiving terminal on or after March 18, 2021.

CH Robinson will continue to evaluate the market to ensure each customer receives the most competitive offering in the marketplace. These levels are pre-filed rates consistent with the ocean carriers to ensure FMC (U.S. Federal Maritime Commission) compliance. We will continue to monitor the market and levels to ensure our rates remain competitive.
