General Rate Increase, U.S. to Oceania

Dear Valued Customer,

The ocean Carriers that provide service from the United States to Australia, New Zealand, the Pacific Islands and New Guinea have announced and filed a General Rate Increase (GRI) to the levels noted below. This charge will apply to all dry commodities and equipment types received at origin on or before December 17, 2020.

C.H. Robinson will continue to evaluate the market to ensure each customer receives the most competitive offering in the marketplace. These levels are pre-filed rates consistent with the ocean carriers to ensure FMC (U.S. Federal Maritime Commission) compliance. We will continue to monitor the market and levels to ensure our rates remain competitive.
