## General Rate Increase (GRI) U.S. to Asia/Middle East/ISC

Dear Valued U.S. Customer,

The ocean carriers that provide service from the United States to Asia, Middle East and Indian Subcontinent have announced and filed a General Rate Increase (GRI) to the levels noted below. The effective GRI will be applied to all containers in-gated at the origin receiving terminal on or after January 16, 2021.

C.H. Robinson will continue to evaluate the market to ensure each customer receives the most competitive offering in the marketplace. These levels are pre-filed rates consistent with the ocean carriers to ensure FMC (U.S. Federal Maritime Commission) compliance. We will continue to monitor the market and levels to ensure our rates remain competitive.
