Schedule Update – Vessel Diversion, New Zealand

Dear Valued Customer,

C.H. Robinson have been advised of the diversion of the Constantinos P v343S/344N originally scheduled to berth in Auckland, New Zealand on May 25, 2021.

The vessel will now call into Northport and discharge Auckland consigned import containers from May 15, 2021. As with previous vessel diversions to Northport, the inland cost for moving full import containers from Northport to customers in Auckland will be to the account of the cargo receiver. Northport's handling capacity will result in containers being released over multiple days.

Please be advised ANL is not extending any additional detention free time. Any import detention if incurred will be passed on at cost. We will endeavour to have container deliveries completed as soon as containers are made available by Northport.

Thank you for being our Valued Customer. If you have any questions or concerns regarding the notice held within, please contact your Key Account Manager or a C.H. Robinson representative. Sincerely, C.H. Robinson.

Sincerely,
C.H. Robinson.
