Ports of Auckland Vehicle Booking System Fee

Dear Valued Customer,

Ports of Auckland (POAL) will soon start to implement Containerchain's Vehicle Booking System (VBS) and eGate/Driver products across all POAL sites.

They are switching to Containerchain to help establish a standard approach for carriers when booking times and slots across the major logistics hubs in the Upper North island.

Hubs such as Metroport and Southdown already use Containerchain and as such, the following rate of 35.00 NZD per container is applicable from July 12, 2021.

Thank you for being our Valued Customer. If you have any questions or concerns regarding the notice held within, please contact your Key Account Manager or a C.H. Robinson representative.

Sincerely,
C.H. Robinson.
