## Concentrated National Audit Program – Importers, Australia

---

Dear Valued Customer,

The National Measurement Institute has released the [National Compliance Plan for 2021–22](#) which includes concentrated national audits for Importers, Independent Supermarkets, and Licensed Premises.

This program will include a focus on importers of pre-packaged products with measurements based on volume and will begin for the week commencing August 30, 2021.

Imported products to be audited under this program will include:

- Consumable items, including oils and seasonings
- Animal food products, such as pet foods
- Beverages
- Sanitisers such as alcohol-based products
- Cleaning products.

Inspectors will also be reviewing documentation for measurement-related QA processes to ensure regulatory compliance.

Thank you for being our Valued Customer. If you have any questions or concerns regarding the notice held within, please contact your Key Account Manager or a C.H. Robinson representative.

Sincerely,  
C.H. Robinson.
