National Biosecurity Strategy, Australia

Dear Valued Customer,

The Australian Government has issued a statement to advise that work has commenced on a National Biosecurity Strategy to provide direction for Australia's biosecurity system through to 2030.

A reference group of biosecurity stakeholders has been established to provide strategic insights and advice during the development of the strategy.

The members of the National Biosecurity Strategy Reference Group are:

- Australian Banana Growers' Council
- Commonwealth Scientific and Industrial Research Organisation (CSIRO)
- Freight and Trade Alliance
- Invasive Species Council
- National Farmers' Federation
- Rural Research and Development Corporations representative - Australian Pork Limited
- Seafood Industry Australia
- Torres Strait Regional Authority

To receive updates on the National Biosecurity Strategy and information about upcoming engagement opportunities, please click [here](#).
